

4 Years on Council

I've been fighting hard for us

1 Public Safety

- Pushed to fill all police vacancies
- Passed a no camping ordinance as Mayor in 2025

2 Preserving Arcadia's Character

- Voted NO on oversized development projects
- The only one to protest the state's proposed drug rehab center in the heart of Arcadia

3 Keeping City Hall Accountable

- The only one who asked Eileen Wang to resign
- The only one to propose public disclosure on all council members' financial ties
